Faculty : Technology – ICT and Business
Subject : Year 12 Cambridge Technicals Business

St John Fisher Catholic High School

Faculty Introduction:

Business and ICT is a lively subject area teaching all students in Key Stages 3 and 4 and large groups in the Sixth Form. Within ICT lessons across all Key Stages, students are given the opportunity to learn Computer Science skills and knowledge to help them in the future. This is a developing area with ambitions and opportunities to develop and practice real life skills used in the world of work.

Topics/Modules to be covered in the year:

Students will be starting to complete the Level 3 Extended Certificate. In Year 12 they will do 3 of the 5 units, gaining the Certificate. The Extended Certificate is worth 1 A Level.

Units to be covered in Year 12:

Unit 1 – Business Environment (Examined)

Unit 4 – Customers and Communication (Coursework)

Unit 5 – Marketing and Market Research (Coursework)

Assessment:

The internally assessed units will be marked by the teacher and will be moderated by the exam board.

The examined unit will be an exam board set and marked examination.

Homework expectations/key deadlines:

Students will be given homework which is either completing coursework, making improvements to their work or theory work to help prepare for the exams and coursework assignments.

Enrichment activities/revision sessions:

Period 5 sessions are held each week to help complete work.
