

Faculty : Technology – ICT and Business

Subject : Year 13 Business BTEC

Faculty Introduction:

Business and ICT is a lively subject area teaching all students in Key Stages 3 and 4 and large groups in the Sixth Form. Within ICT lessons across all Key Stages, students are given the opportunity to learn Computer Science skills and knowledge to help them in the future. This is a developing area with ambitions and opportunities to develop and practice real life skills used in the world of work.

Topics/Modules to be covered in the year:

This is the final year of the BTEC Level 3 National Extended Certificate in Business. This qualification is worth 1 A Level.

In this final year, students will complete the final 2 units:

Unit 3 – Personal and Business Finance (externally assessed)

Unit 22 – Market Research

Assessment:

The internally assessed unit will be marked by the teacher and will be moderated by the exam board.

The externally assessed unit will have work set and marked by the exam board.

Homework expectations/key deadlines:

Students will be given homework which is either completing coursework, making improvements to their work or theory work to help prepare for the exams and coursework assignments.

Enrichment activities/revision sessions:

Period 5 sessions are held each week to help complete work.
