

75th Anniversary of the D-Day Landings

Yesterday marked the 75th Anniversary of the D-Day Landings. We remember those who lost their lives and the families and friends of those who were involved. We will remember them.

Saying Farewell

Year 11 and Year 13 are reaching the end of their exams and the end is in sight which is a welcome relief for them. It also marks the beginning of a new phase in their lives which can be very daunting. Year 13 had their leaver's liturgy before half term and next Friday Year 11 will have their leaver's liturgy followed by their much anticipated Prom in the evening. As both Year groups reach the end of this phase of their lives we wish them the best of luck.

Years 10 and 12

Following on from the above, the focus will now be on Year 10 and Year 12 as both year groups move into their final exam year. Year 10 have already had an assembly this week about preparing themselves for GCSEs and we have put in place various support mechanisms to help students through this next phase. The parents evening next Tuesday will be an opportunity to discuss any issues your child may have in their studies and to assist us in identifying further ways to help your child to reach their full potential.

Key Stage 3 PPEs

Years 7, 8 and 9 should be preparing for their end of year exams at the moment. Students will have received an individual exam timetable via e-mail and on paper. Please encourage your child to revise.

Parents' Evening

Please remember that **students will be dismissed at 2pm** on Tuesday afternoon (11 June 2019) because we have Parents' Evening for Years 7, 10 and 12.

Work Experience

This week we welcomed back year 10 after their week's work experience. We had a celebration assembly to mark their achievements and certificates were presented.

It is always wonderful to hear about the students experiences and to support them to reflect on how they can use the experiences to help them plan for their future.

Most students received a visit during their working week and the reports from employers were extremely pleasing, a selection are below but we would also like to congratulate all the students who represented our school so well.

"Ruby is a credit to her family and the school"

"Nelson has settled into his work experience like a member of staff. We are very impressed with his professionalism."

"Hadiqa was very polite and kind – the children loved her – she should be rewarded for her efforts."

"Kazim has been a very diligent individual who has shown great interest in the job role"

"We would offer Neda a permanent job when she finishes school."

"Zain worked very hard and was extremely polite and helpful"
