

Consent Form

for the use of Biometric Information in School

Please complete this form if you consent to the school taking and using information from your child's fingerprint by St John Fisher Catholic High School as part of an automated biometric recognition system. This biometric information will be used by St John Fisher Catholic High School to provide a cashless catering service in the school. More information is available on the school website: www.stjohnfisherschool.org.uk

In signing this form, you are authorising the school to use your child's biometric information for this purpose until he/she either leaves the school or ceases to use the system. If you wish to withdraw your consent at any time, this must be done in writing and sent to the school at the following address:

Biometrics Consent
St John Fisher Catholic High School
Park Lane
Peterborough
PE1 5JN

If consent is not provided, the school has to provide an alternative way for your child to use the facilities managed by the biometric data. This will be by the provision of "lunch cards" that will have to be swiped through readers instead of using biometric fingerprints. This will cost £3.00 every time a card is issued and the funds for this will be recovered automatically through the school's cashless catering system.

Once your child ceases to use the biometric recognition system, his/her biometric information will be securely deleted by the school.

Having read guidance provided to me by St John Fisher Catholic High School, I give consent to information from the fingerprint of my child:

Child's Full Name:**Year:**

being taken and used by St John Fisher Catholic High School for use as part of an automated biometric recognition system to provide a cashless catering service.

I understand that I can withdraw this consent at any time in writing.

Full Name of Parent:

Relationship to child:

Signature:

Date:
