- These are an informal catch up for SENCOs across Peterborough.
- The sessions will be run via Teams and hosted by a Hub Manager. There will be no fixed agenda, and anyone wanting to raise a particular topic is welcome to do so.
- The sessions will last for around 30 minutes, but anyone wishing to chat for longer is free to do so.
- The timing each week will vary, depending on Hub Manager commitments – this may also be advantageous for other SENCOs, for whom a fixed time each week may not work.
- Please email the contact for a booking link
