

# Deputy Headteacher Required from September 2021 Leadership (L19–L23)

St John Fisher  
Catholic High School

Following the phased retirement of our current post holder, we are seeking an inspirational, highly skilled Deputy Headteacher who will have a proven track record of success at a senior level.

St John Fisher is a popular, 11–18 mixed voluntary aided comprehensive in the Diocese of East Anglia. The school was again judged by Ofsted as a ‘Good’ school in all areas in November 2017. “The school continues to be an effective provider where pupils typically experience high quality teaching and where their achievements are recognised and celebrated by the school community.” The school was also judged to be ‘Outstanding’ in all areas by the Diocesan inspectors.

The school is situated in the heart of Peterborough and is over-subscribed. Pupils of diverse cultures come mainly from the Catholic feeder schools in the area and the local community. The excellent manner in which pupils co-operate with each other and show mutual respect was noted by inspectors.

You will be:

- A practising Catholic with a vocation to enable students to reach their full potential regardless of their background or barriers to learning.
- You will be an experienced, enthusiastic individual who leads change successfully and improves outcomes for students.
- An inspirational leader who will guide the school on its journey to ‘Outstanding’.
- Someone with successful experience of senior leadership in a secondary school with a record of raising achievement.
- Someone with energy, vision and ambition who is committed to the success of all pupils.

In return we can offer you:

- A positive environment where you will be supported to progress further in your career, and a team of staff who are very hardworking and dedicated to the school.
- A school with a Catholic ethos which permeates all we do
- A leadership team, staff and governors who are effective and dedicated to the success and well-being of all pupils.
- An exciting opportunity to lead in a good and improving school.
