

7 January 2021

Dear Parent / Carer

The key message from the government during this third lockdown is to stay at home to reduce contacts. With this approach in mind, school is closed.

This, therefore, means that students should study from home. If you are a critical worker, we can provide on site learning for your child if they cannot learn from home. This provision must be booked in advance and must be for a whole day at a time.

Students on site will be doing the same work as students at home. Please remember the key message from the government is to stay at home and stay safe.

Please complete the form on the link below to indicate whether they need to attend school.

This link is also available on the school website.

This should be completed by **2pm on Friday 8 January** to reserve a place for next week.

There is now an option to select 'Attend every day up to and including Friday 12 February' which if you select you **MUST** inform the school if your child is then going to be absent from school on any particular day. You can do this by phoning the student absence line, 01733 343646 (Option 1).

Critical Worker Status (for definitions, please see list on appendix at the end of this letter)

Best wishes
